

# LIVE UNITED®

**GIVE. ADVOCATE. VOLUNTEER.**

Many households are likely one unexpected event away from financial crisis. Having the necessary resources in place to help us get back on our feet is how a community thrives. The Bryant family found this out firsthand.

Cindy and David had it all together with good jobs, an apartment they liked and five precious children. When their eldest daughter began experiencing random aches and pains, they searched for answers and received the diagnosis of lupus. Medical attention was costly. Mom had to leave her job to stay by her daughter's side adding even more stress to an already tight budget. The situation was made worse when Dad unexpectedly lost his job. On top of all that, the Bryants fell victim to an apartment fire and were unable to find housing they could afford.

The family found relief through a system of United Way funded programs that provided temporary shelter, case management, counseling, and the overall support needed to get back on track. Today, both parents are working and the family is thriving in their own home.

When we **LIVE UNITED**, we ensure that individuals and families in our community have the means to keep life's challenges manageable, not catastrophic. By joining together, we create a vibrant and secure place to call home.

## 2016-2017 Campaign

**SPENDING YOUR DOLLARS WISELY:** United Way of the Piedmont is the most efficient and effective way to invest in your community. Trained volunteers examine needs, learn about programs, visit nonprofit organizations and determine where your dollars will do the most good. Giving through United Way of the Piedmont allows you to multiply the impact of your gift by combining it with the gifts of your neighbors and investing in the building blocks for a quality life.

**DONOR CHOICE:** All gifts share in the administrative cost. To minimize processing costs, a minimum gift of \$25 is required per designated agency. Giving through United Way of the Piedmont ensures that trained volunteers have carefully reviewed where your dollars go. However, if you would like to designate your gift to a particular agency, you may do so. The agency must be eligible to receive tax-exempt donations and must maintain a statement of counterterrorism compliance with our office in keeping with the spirit and intent of the US Patriot Act. If the agency does not qualify, cannot be located or the designation does not meet the minimum gift amount, the pledge will be directed to the Community Impact Fund. A Donor Choice Card is available from your campaign coordinator or our website - [www.uwpiedmont.org/donorchoicecard/](http://www.uwpiedmont.org/donorchoicecard/)

**NOTICE:** No goods or services were provided in exchange for this contribution. Please keep a copy of this form for your tax record. You will also need a copy of your pay stub, W-2 or other employer document showing the amount withheld and paid to a charitable organization. Consult your tax advisor for more information.
